Dear Mr Colin Humpherson,

Scope of Clearance: 2007/46/EC; EWVTA & NSSTA

This letter is to confirm that satisfactory evidence of the quality system/controls have been witnessed operating within:

Assembly Plants:

BD4 6SG

CoP Clearance dates:
Valid from 11/06/2014 till 10/06/2016

Therefore I am glad to confirm that Conformity of Production clearance has been granted. Conformity of Production Clearance has been granted as per the above clearance dates. Prior to the end of the clearance period, you will be contacted for your surveillance audit. If everything is satisfactory then a further period of clearance will be granted. An audit visit may however take place before or within the period of clearance, at a mutually convenient time/date.

Under our procedures we retain the right to make monitoring visits to witness the system in operation, which are chargeable. In addition, we may purchase type approved vehicles and components and check them against the relevant Regulations and Directives.

It should be noted that Conformity of Production clearance relates only to manufacturing systems and procedures. Product approval does not exist until the appropriate type approval certificate has been issued. If you require further help or information please let me know.

Yours sincerely

Gary Lockett
